

Kimberley Calling

Are you being called to a transformative teaching and learning opportunity in 2023?

CEWA are seeking teachers, open to the experience of learning, living and serving in the Catholic school communities of the Kimberley, who will inspire and engage each student of the Broome Diocese through the provision of a quality Catholic education.

Online Information Session

Kimberley Calling is a unique opportunity for early childhood, primary, and secondary trained teachers to deliver flexible and innovative educational programs to students in remote areas, ensuring they have access to high quality education and improved outcomes.

There are 13 Catholic schools in the Diocese of Broome, which covers WA's northern Kimberley region. These school communities are situated in culturally and environmentally rich environments that enable strong professional growth, two-way learning and opportunities to gain a deeper understanding of the languages and cultures of First Nations people. They are places where teachers can make a significant difference in the lives of students through the provision of a quality Catholic Education.

High quality professional learning opportunities and increased opportunities for leadership in various areas, as well as day to day immersion in community life will enhance your ability to be culturally responsive and innovative in adapting flexibly to the learning needs and contexts of students.

Opportunities for professional immersion in:

While we are looking for expressions of interest in full-time positions, consideration for secondments and/or relief teaching opportunities may also be considered. Join us for an information session to find out more about this truly unique and rewarding professional teaching and learning experience.

Or join us at the Melbourne based information session on 12th September.

Thursday
15th September

4.00– 5.30pm AEST | 2.00 – 3.30pm AWST

Please register attendance by completing the form at the QR Code or at shorturl.at/mruxV

The Teams link will be sent via email prior to the information session
