

# Kimberley Calling

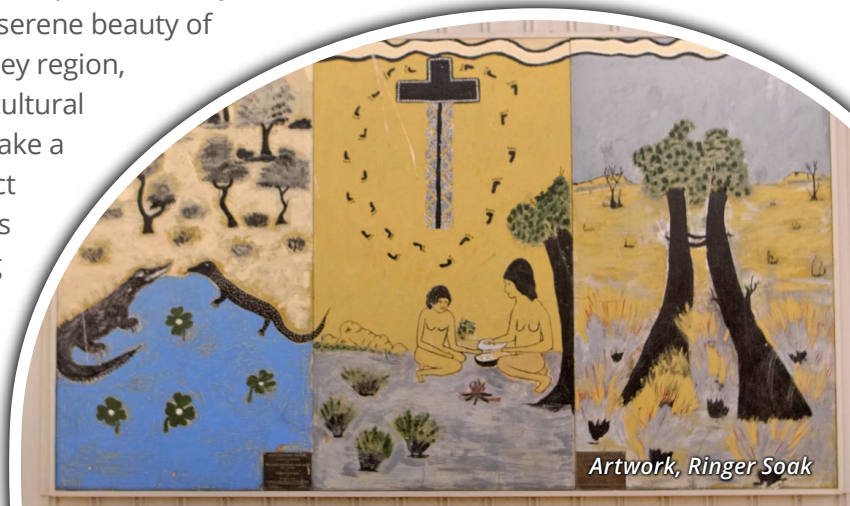

## Birlirr Ngawiyiwu Catholic School, Ringer Soak

### Kindergarten – Year 6

Birlirr Ngawiyiwu Catholic School, founded by the Sisters of St Joseph at the request of the Yaruman/Ringer Soak community, continues their legacy.

The school develops confident students through education that honours Jaru and Ngawi history, culture, and traditions. Families, educators, and community members at Birlirr Ngawiyiwu work together to support strong relationships and student growth. The curriculum, from Kindergarten to Year Six, aligns with national standards and individual student needs. With a strong emphasis on the use of information technology, classrooms are equipped with iPads to foster independent and collaborative learning.

Teaching in Ringer Soak offers a unique opportunity to immerse oneself in the rich cultural heritage of the Jaru people. The community's stunning natural landscapes and tranquil lifestyle create a rewarding experience both personally and professionally. Educators can explore the serene beauty of the East Kimberley region, engage in local cultural activities, and make a significant impact on students' lives while embracing a meaningful, connected way of life.
